

A sleek white speedboat with a black stripe is moving across the water, leaving a white wake. Two people are visible on board. The background shows a clear blue sky and a distant sailboat on the horizon. The boat is positioned in the center of the frame, angled towards the right. The water is a deep blue with white foam from the wake. The sky is a uniform light blue. In the far distance, a small sailboat is visible on the horizon line. The overall scene is bright and sunny, suggesting a clear day at sea.
